FOOL YOU**

Full Access users enjoy a feature-rich navigation menu that includes:

- Choice of Quick or Comprehensive searches on over 100,000 reports
- Copy and edit previous reports to save time
- Download data to your analysis programs
- Easily add & update multiple users
- Customizable address book

The screenshot shows the 'MMIR Menu' interface with the following sections:

- Quick Links:** Contains a vertical list of links including 'Queries', 'History', 'Books', 'Manufacturers', 'SIR requirements', 'MIR requirements', 'Fuel (STATE)', 'MAGSTAT', 'MIR Home', 'Web Site Agreement', 'User Manual', 'Contact us', 'Top', and 'Welcome to MMIR'.
- Create Reports:** Includes links for 'New MMIR', 'New MMIR from Copy', 'Amend / Update MMIR', and 'New Event Report'.
- Analysis Query:** Includes a link for 'By Part Number' and another for 'By Aircraft Model'. A note below states 'MMIR has 91,624 searchable reports'.
- Search Your Reports:** Includes links for 'Search All MMIR', 'Last 7 days LMD', 'Last 7 days Comprehensive', 'Search Current Reports', and 'Expand Data'.
- My MMIR Account:** Includes links for 'Address Book', 'Chart', 'Logins', 'Comments', and 'SIR, Registration & Users'.

At the bottom of the menu, there are three summary items:

- There are 12 Incomplete MMIRs
- There are 7 New Event Reports
- There are 0 Open Event Reports
